

## Is This Penthouse Fit For Mother Monster?

Lady Gaga is reportedly eyeing a \$5.95M duplex penthouse apartment in Manhattan.

[Lady Gaga](#) may be wheelchair-bound these days, but the temporary sideline hasn't stopped the recovering superstar from house hunting.

[Page Six](#) is reporting that Mother Monster recently stopped by a Manhattan penthouse currently on the market for \$5.95 million.

The duplex apartment, located in New York's Clinton neighborhood (aka. Hell's Kitchen), includes three bedrooms, three and a half bathrooms, a fireplace, terrace and more than 2,000 square feet. **Mickey Conlon**, one of the agents attached to the listing, offered no comment when [Celebuzz](#) reached out on Friday.

The penthouse is surrounded by floor-to-ceiling windows and, according to the listing on [CORE](#), "bird's-eye views" of Central Park and Times Square.

Earlier this week, Gaga, 26, was [spotted greeting fans in the Big Apple](#) in her custom-made 24K gold wheelchair.

"I miss you guys so much. I just wanted to come out and say hi," the "Born This Way" singer told her fans in a moment caught on video.

Gaga is currently recovering from hip surgery. Back in February, the singer was forced to cancel the remainder of her world tour after battling chronic pain from a show injury.
